SUBJECT: Ratification of the Application to the Department of Housing and Urban Development Veterans Affairs Supportive Housing Program

Executive Summary
The U.S. Department of Housing and Urban Development (HUD) in collaboration with the U.S. Department of Veteran Affairs (VA) oversees the Veteran Affairs Supportive Housing Program (VASH). The two departments jointly determine the allocation of VASH vouchers awarded to each Public Housing Agency, if any, based on the percentage of veterans experiencing homelessness in the community. VASH vouchers are administered by the PHA in partnership with the local VA Medical Center (VAMC).

To date, Fresno Housing has been awarded 343 VASH vouchers, 261 currently under lease. The 2016 homeless count estimates 213 unsheltered Veterans in the Fresno-Madera area. HUD invited Fresno Housing to apply for twenty-eight (28) additional VASH vouchers bringing the total to 371. We will continue to partner with the Fresno VAMC. FH received notification of this invitation on April 25, 2016 with a response due the same day. Subsequent application deadline was due May 2, 2016 prior to the Boards of Commissioners’ meeting.

Recommendation
It is recommended that the Board of Commissioners of the Housing Authority of the City of Fresno adopt the attached resolution authorizing: (a) the acceptance of administration of twenty-eight (28) VASH vouchers, (b) negotiation and execution, by the CEO/Executive Director, of any resulting contract(s), and associated amendments; (c) to incorporate the new funding into the approved FY 2016 budget or when agreement is executed.

Fiscal Impact
There is no negative fiscal impact. HUD evenly distributes the Budget Authority granted under each HUD-VASH increment throughout the fiscal year, making funds available regardless of utilization. Current staffing levels are supported by the Administrative Fees received and we do not anticipate any staffing changes necessary to administer the new HUD-VASH vouchers. This program has no match requirement.

BOARD MEETING: May 24, 2016  
AGENDA ITEM: 5c  
AUTHOR: Angie Nguyen  

SUBJECT: Ratification of Amendment to the partnership with County of Fresno Department of Social Services Housing Support Program

Executive Summary
The County of Fresno Department of Social Services (DSS) has received a grant from the State of California to administer a Housing Support Program (HSP) with attendant supportive services to house homeless families with children who receive California Work Opportunity and Responsibility to Kids (CalWORKs) benefits. In early 2015, DSS asked Fresno Housing Authority to administer the HSP Program specifically by providing a rapid rehousing program for the target population. The Boards authorized FH staff to enter into an agreement to administer the grant on behalf of DSS in February 2015. The agreement was for administration of the grant through June 30, 2016.

The total 2015/16 grant was expected to be $655,942. DSS has, however, received additional funding in the amount of $215,951 for a total of $871,893. It is the intent of FH to continue to utilize expertise in administrating a rapid rehousing program and case management services to administer these additional funds. FH intends to work closely with DSS and other community partners to obtain and maintain housing for this population and feels confident it will be able to expend all the resources available.

This item is coming before the Boards as a ratification because DSS required initial signature of the amendment to the contract on April 28, 2016; prior to the FH Boards of Commissioners meeting.

Recommendation
It is recommended that the Board of Commissioners of the Housing Authority of the City of Fresno and the Housing Authority of Fresno County authorize: (a) partnership with DSS in administrating of the HSP program; (b) execution, by the CEO/Executive Director, of any resulting contract(s), and associated amendments.

Fiscal Impact
The agency will receive additional fuding for this program in the amount of $215,951. These funds will cover direct program costs. No additional staff will
be required to administer these funds and no matching funds are required. Therefore, there will be no negative fiscal impact to the agency.

Preston Prince, Secretary of the Boards of Commissioners
Executive Summary

The County of Fresno Department of Social Services (DSS) has received funding from the State of California to continue administration of a Housing Support Program (HSP) with attendant supportive services to house homeless families with children who receive California Work Opportunity and Responsibility to Kids (CalWORKs) benefits. DSS has asked Fresno Housing Authority to continue the partnership in administering HSP, specifically in providing a rapid rehousing program for the target population. In early 2015, DSS asked Fresno Housing Authority to administer the HSP Program specifically by providing a rapid rehousing program for the target population. The Boards authorized FH staff to enter into an agreement to administer the grant on behalf of DSS in February 2015. The agreement was for administration of the grant through June 30, 2016. DSS has secured funding for the July 1, 2016 – June 30, 2017 in the amount of $840,000 and has asked Fresno Housing to continue the partnership in administering HSP. It is the intent of FH to continue to utilize expertise in administering a rapid rehousing program and case management services. FH intends to work closely with DSS and other community partners to obtain and maintain housing for this population.

The item is coming to the Board as a ratification because DSS required initial signature of the contract on April 28, 2016; prior to the FH Boards of Commissioners meeting.

Recommendation

It is recommended that the Boards of Commissioners of the Housing Authority of the City of Fresno and the Housing Authority of Fresno County ratify and adopt the attached resolutions authorizing: (a) partnership with DSS in administering of the HSP program; (b) execution, by the CEO/Executive Director, of any resulting contract(s), and associated amendments.

Fiscal Impact

The program will receive $840,000 to administer the Housing Support Program in partnership with DSS. The funds cover all related direct costs in
administering the program. No additional personnel resources will be needed to administer this program and there is no match requirement. There is no negative fiscal impact to the agency.

May 24, 2016
HRFC Reserves

• The Housing Relinquished Fund (HRFC) reserves allow for the expansion of affordable housing.
• Reserves have accumulated from various sources including:
  – Program income and loan repayments from development projects
  – Interest income from loans
  – Sales of properties
• HRFC reserves can be restricted by the Boards or agreements with HUD.

Questions or Comments?
Executive Summary

In April 2014, Fresno Housing staff began preliminary discussions with Highway City Community Development, Inc. (“HCCD”) and Central Community Church (“CCC”) regarding a potential partnership in the development of a Community Center (the “Community Center Project”) and affordable housing on vacant land owned by HCCD and CCC, located at Polk Avenue in the Highway City area of Northwest Fresno. A preliminary master site plan was drafted for the development, which could include 40-50 units of affordable housing and a community center for the affordable housing complex. The master site plan also included floor plans for a separate community center that would be owned and operated by HCCD. The Highway City neighborhood has very limited community facilities to support the delivery of services by the HCCD, or other groups, to residents of the neighborhood, including residents served by Fresno Housing.

The project was divided into two phases (one for the Community Center Project and one for the affordable housing development), due to timing issues regarding potential funding sources for both phases, and due to the immediate need in the neighborhood for community space to provide services.

HCCD, CCC and Fresno Housing have been working together to create a viable financing plan for the development of the Community Center Project. Granville Homes also expressed interest in committing funding to enable the development of a community center in the Highway City neighborhood.

Applications for funding the Community Center Project were submitted to the City of Fresno for Community Development Block Grant (“CDBG”) Public Facilities funding in 2014 and 2015; however, they were not approved for funding at that time.

In 2015, the partners decided to apply for CDBG funds for a third time following a commitment by Granville to HCCD of $350,000 to assist with the Community Center Project, and with the understanding that the City of Fresno had set aside a portion of CDBG funding for Non-Profit Community Facilities.
Projects. A new application was submitted by Silvercrest, Inc. (an instrumentality of the Fresno Housing Authority) and the HCCD as partners on March 8, 2016. On May 12, 2016, the City of Fresno approved the Community Center Project for a CDBG award of $329,000. Central Community Church has also tentatively committed $150,000 towards the Community Center Project financing. Granville Homes remains committed for a minimum of $350,000.

The current estimated total development cost for the Community Center Project is $1,624,000. To assist in compiling the financing necessary to construct the Highway City Community Center, staff is requesting that the Boards of Commissioners of the Housing Authority adopt the attached resolutions to authorize a loan from the Housing Relinquished Fund Corporation (“HRFC”) of $250,000 to the Highway City Community Center Project.

**Recommendation**

It is recommended that the Boards of Commissioners of the Fresno Housing Authority adopt the attached resolutions approving the necessary actions needed to move forward with the financing of the Community Center Project, and authorize Preston Prince, CEO/Executive Director, Tracewell Hanrahan, Deputy Executive Director, and/or their designee, to negotiate and execute documents in connection with the approved actions.

1. Authorize the approval of a funding commitment from the HRFC of $250,000 for the development of the Highway City Community Center.
2. Provide for other matters related thereto.

**Fiscal Impact**

At this time, staff is requesting a financing commitment from HRFC of $250,000. The current total estimated development cost for the project is $1,624,000. The HRFC funds will be used as a permanent source of financing. Staff are working with our partners at Highway City Community Development, Inc. and Central Community Church to pursue the final gap financing needed to fund the development.

**Background Information**

The Highway City Community Center will be located on Polk Avenue between Shaw Avenue and Gettysburg Avenue in the Highway City area of Northwest Fresno. The Project site is located in an area of high demand for services. The Project will include a 5,200 sq.ft. community center which will have a nurse’s office, recreation area, reading/library service, and a multipurpose room. It will also have two offices, kitchen, conference room, and a tutoring room.

This partnership between the Fresno Housing Authority and Highway City Community Development, Inc. allows for the entities to combine their efforts and further each of their missions. The mission of HCCD is to transform Highway City and Central Unified School Communities into healthy communities of hope through holistic means. This aligns with the mission of Fresno Housing that guides its short and long term plans and operations – To create and sustain vibrant communities throughout Fresno County. Our goal is to provide this Community Center with an environment that fosters the advancement of low to moderate income families from a position of dependency to one of self sufficiency. Other partners in the larger project include the Central Community Church, Granville, and Central Unified. Some partners have committed funding for the Center and some have committed operational support and/or services.
Fresno Housing serves 502 families in the immediate area. Of those families, 24 live in Marcelli Terrace, with 48 children. There are 478 HCV families in the immediate area, with 1,071 children. There is no community space currently at Marcelli Terrace and none in the immediate area for which to provide services to our HCV residents as well.

The preliminary master plan for the Highway City area envisions the Community Center as the first phase of development for the overall site. The second phase, an affordable housing development, is conceived as 44 units of new construction and a community building. An application for City of Fresno HOME funds was submitted for the residential component on April 29, 2016.

Development:
For:
Housing Authorities of the City and County of Fresno
Executive Summary

In 2007, the Boards of Commissioners approved the acquisition of two condominiums in the Ranchwood complex. As required by the original financing source, the California Housing Finance Agency, the Authority is required to provide these units to eligible low-income individuals for homeownership. The Housing Authority has partnered with Habitat for Humanity of Fresno to donate the two condominiums to be used to provide quality housing to income-qualified homeowners, thus fulfilling the original obligations of the financing.

Habitat for Humanity is an international, non-governmental, non-profit organization, which was founded in 1976. Habitat has been devoted to building “simple, decent, and affordable” housing, and has been a leader in addressing the issues of low-income housing and homeownership all over the world. Habitat for Humanity intends to use the condominiums to meet our joint missions of creating vibrant communities with engaged residents, and the specific goal of these properties to provide homeownership opportunities.

Recommendation

It is recommended that the Boards of Commissioners approve the donation of condominium #193 and #270 at 1190 S. Winery, Fresno, CA to Habitat for Humanity and authorize the CEO/Executive Director, Preston Prince, or his designee, to execute the gift deed and other ancillary documents in connection therewith.

Fiscal Impact

The Agency originally received a loan in the amount of $277,551.41 for the acquisition and rehab of these two units. The loan funds used to purchase these two properties were repaid to the California Housing Finance Agency using unrestricted operating reserves in 2014. Additionally, each year the Housing Authority pays approximately $5,000 for annual HOA dues (for a total of $45,000 since 2007) and additional staff time for maintenance and security of the sites. The total fiscal impact to the Agency would be the write-off of the
$277,551.41 in assets held for sale and the reduction of our annual maintenance and administrative costs.
**Background Information**

The two condominiums are located in the Ranchwood Homeowners Association at 1190 S. Winery, Fresno, CA and were acquired from Fresno Pacific Service Corporation in 2007. Each of the units were rehabbed in 2007, which included interior painting, installation of security doors and smoke detectors, kitchen and bathroom counter tops, sinks, light fixtures, floor coverings, and interior doors. Since 2007, several attempts were made to sell the units to qualified homeowners, and while the original goal of the properties was to provide homeownership opportunities for low-income individuals, traditional mortgage financing is not available at this site due to the ratio of renters exceeding the amount of homeowners in the association. Since then, the condos have been utilized to provide emergency and transitional housing for qualified renters, but have also been vacant for several years in between.
RESOLUTION NO._______

BEFORE THE BOARD OF COMMISSIONERS OF THE

HOUSING AUTHORITY OF THE CITY OF FRESNO

RESOLUTION AUTHORIZING THE DONATION OF RANCHWOOD CONDOS #193 AND #270 AT 1190 S. WINERY, FRESNO, CA 93727 TO HABITAT FOR HUMANITY FRESNO INC.

WHEREAS, the Housing Authority of the City of Fresno, California (“the Authority”) seeks to provide long-term housing for low and moderate income households residing in the City of Fresno, California (“the City”); and,

WHEREAS, the City Authority is authorized, among other things, to enter into agreements and to provide donations; and,

WHEREAS, the donation of the Ranchwood Condos is in line with the Authority’s housing goals and the goals of the original loan from the California Housing Finance Agency to provide homeownership opportunities;

NOW THEREFORE, BE IT RESOLVED that the Board of Commissioners of the Housing Authority of the City of Fresno, California, hereby authorizes Preston Prince, the CEO/Executive Director, Tracewell Hanrahan, Deputy Executive Director, and/or their designee, to execute and deliver, on behalf of the Authority, all documents reasonably required to be executed in order to donate the assets to Habitat for Humanity of Fresno, Inc.

PASSED AND ADOPTED THIS 24th DAY OF MAY, 2016. I, the undersigned, hereby certify that the foregoing Resolution was duly adopted by the governing body with the following vote, to-wit:

PEOPLE

Overview
Fresno Housing works to respect community needs and knowledge – by listening, learning and researching – and respond to issues compassionately, intelligently, intentionally – by developing exceptional programs based on shared expectations.

West Shaw Estates
Community Outreach
During the month of April, Resident Services partnered with HCV to implement a community assessment in the West Shaw Estates a 200+ unit subdivision near Shaw and Marks Blvd. The outreach / assessment was conducted to determine residents’ perceived level of safety and to identify possible sources of community violence. The following trends were discovered and communicated to our partners at the Mayor’s Office: 1) residents identified guns, drugs and gang violence as the primary sources of violence and crime; 2) residents felt there were no resources for neighborhood youth and children; 3) most residents wanted more support from property owners, HOA leadership and Fresno PD; 4) speeding in the area was problematic; and 5) infrequent trash collection by the City and small trash containers added to the blight.

Two forms of data collection were implemented:
1) Coffee and Chat informal community discussions.
2) Surveys were distributed to 200 units at West Shaw Estates; 54 residents completed the assessment; 27% return rate. There are a total 59 FH households in the subdivision; 42 have single females as head of household.

Finally, Resident Services made the following recommendations: 1) emphasize the importance of Problem Oriented Policing (POP) to build positive PD/Community relations; 2) suggest adding to the list as another potential focus neighborhood for the expansion of the Building Neighborhood Capacity Program; 3) explore some quick fixes around concerns of trash collection and speeding (i.e. larger bins, more frequent pickups, speed bumps). Staff also engaged with possibly 50 youth who reside in the subdivision and identified a potential space for service provision. Both the City and FH will explore options to bring resources (afterschool programming, PAL) to the subdivision.
Inyo Terrace
Health Education Resources
During the month of April, representative from Pacific Coast Medical Services provided information on procedures to relieve pain discomfort due to varicose veins. Residents were invited to a complimentary consultation and were provided transportation to the clinic.

Cedar Courts
Health and Fitness: Zumba
During the month of April, residents were given the opportunity to participate in Zumba group exercise on Wednesday’s during the month of April. Classes were held from 10am – 11am. A Zumba DVD was provided for the residents to follow and learn Zumba dancing skills.

Fairview Heights & Sequoia Courts
Youth Literacy: Reading & Beyond
During the month of April, after school programming provided by Reading and Beyond (RaB) continued at Fairview Heights and Sequoia Courts. RaB offers classes to FH children in grades K- 3rd at Sequoia Courts on Mondays and Wednesdays and at Fairview Heights on Tuesdays and Thursday from 3:00PM – 6:00PM.

Marion Villas
Resource Fair
During the month of April, a representative from the Area Agency on Aging coordinated a resource fair for the residents of Marion Villas. Vendors included CTAP-CA Telephone Access Program, Community Hospital/Burn Prevention, Mid Valley disposal, Rural Tobacco Education, Golden Living Centers, and Valley Center for the Blind. Each vendor provided a brief presentation on services offered and distributed handouts and health information resources to residents.
Huron

Low Income Home Energy Payment Assistance Program (LIHEAP)
During the month of April, FH and EOC’s LIHEAP organized an enrollment event for Low-Income Public Housing residents in Huron. LIHEAP provides qualifying families with assistance on their home energy payment; this assistance is available once a year and pays for up to $350. During this enrollment event, residents received assistance with completing program applications and obtained information regarding budgeting.

Kings River Commons-Reedley

Car Seat Safety
During the month of April, FH site coordinator facilitated a car seat safety workshop for residents at Kings River Commons. Updated information on car seat safety was provided along with the new regulations for car seats that took effect in January 2016. Under the new regulations, children under 1 yrs old are required to be seated in a rear-facing car seat. Participants were also provided with information regarding car seat installation classes that when completed qualifying families can obtain a new car seat at a cost of $50.

Mendota

National Earth Day Celebration
During the month of April, Mendota RAD residents celebrated National Earth Day with a neighborhood clean-up event in partnership with on-site management, Boys and Girls Club and Mid Valley Disposal. Mid Valley provided recycling education, youth planted flowers around the management office, and all participants enjoyed food, raffles, and music.
**Orange Cove**

**Telecommunication Fraud Education and Prevention**

During the month of April, FH partnered with Centro la Familia to distribute fraud education and prevention information to Orange Cove RAD residents. Residents were taught how to identify and prevent fraud, and resources and information was available to individuals that have been a victim of telecommunication fraud.

**Stakeholders Workshop**

A Stakeholders Workshop was held on April 27, 2016 at 4:00pm in the FH Board Room to share the work that transpired over the several months in the area of Housing Quality Standards. In attendance were 12 guests representing various advocacy groups and/or the community at-large, 8 FH staff members, and 2 Board Commissioners. The information shared during the workshop covered trends, misconceptions, and discoveries made through staff analysis of our HQS Inspections data. Attendees were informed of our new Owner Disallowance policy and the collaborative efforts that are underway with the City of Fresno. Overall, the feedback was positive and suggestions were made and noted. Some of the next steps recommended were efforts to conduct landlord outreach, tenant education, and exploration of incentive programs. Since then, the first roundtable of a Tenant Education series co-sponsored by the Lowell CDC and FH was held at Parc Grove Commons on May 19th.

**Update to Fresno City and County Ten Year Plan to End Chronic Homelessness**

Fresno Housing staff has been working with Mayor Ashley Swearengin over the past three months to prepare a white paper that updates the Fresno City and County Ten Year Plan to End Chronic Homelessness. This document chronicles the success of effort since 2009 including:

- 48.3% decrease in overall homelessness;
- 51% decrease in chronic homelessness;
- 28.6% increase of permanent supportive housing beds which includes FH Renaissance programs.
The document also lays out a blueprint for ending chronic homelessness by December 31, 2017. Resources needed include a continuance of already committed funding, i.e., City of Fresno General Funds for outreach and engagement; City and County Emergency Solutions Grant funding for rapid rehousing and U.S. Department of Housing and Urban Development Continuum of Care funding. The plan additionally calls for new funding for permanent supportive housing and rapid rehousing units to be raised from a variety of resources including City of Fresno, County of Fresno, HUD and nonprofit organizations. The document will be formally presented to the City Council, Board of Supervisors and general public by the Mayor’s Office in the coming weeks. Media coverage is expected.

**Update to Underutilization of HUD-VASH vouchers**

Pursuant to Fresno Housing communication with his office, Congressman Jim Costa facilitated a meeting between FH and Fresno VA staff on May 6, 2016. Additional attendees were representatives from HUD San Francisco office and U.S. Interagency Council on Homelessness (USICH). Fresno VA outlined barriers to consistent referral to VASH including national VA policy stating Veterans must remain in emergency housing for sixty (60) days to be eligible for VA dental benefits. Congressman Costa, USICH and Fresno VA will advocate for this policy to include other VA housing – including VASH. Fresno VA also stated clinical assessment largely dictates referral to VASH and/or other VA housing options. It is felt that some Veterans would benefit from transitional housing in lieu of permanent housing like VASH.

An important factor raised in discussion was the vast difference in definition of ‘referral’ and ‘housed’. Fresno VA considers a ‘referral’ those Veterans whose clinical assessment indicates VASH; where FH considers ‘referral’ those Veterans whose necessary documentation for inclusion in program has been received. In addition, Fresno VA and FH data on housed Veterans differs vastly. Staff from both organizations are working on commonality of terms and closer alignment of process to achieve greater utilization of VASH. Staff will keep the board apprised of progress.

### MANAGEMENT GOALS

The goals of management include our efforts to stabilize, focus, and extend activities to meet the mandate of our mission through good decision making related to Sustainability (staffing, finances, effectiveness, evaluation, technology, facilities); Structure (governance); and Strategic Outreach (communications, image, visibility, public affairs, policy).

#### Sustainability

Build and maintain an innovative, engaged, visible, and sustainable organization, committed to its mission of providing housing for low-income populations.

#### Administrative Services

**Procurement**

Facilities staff has recently completed three office upgrades on the 3rd floor of the Central Office. Additional scopes of work have been provided to the Procurement Department to solicit the remaining carpet replacement and painting for the refresh of the central office. The procurement staff, in conjunction with the Planning and Community Development Department, has issued a RFP for General Contractor/Construction Manager Services for three new developments consisting of Parc Grove Commons NE Veterans Housing, Memorial Village, and Magill Terrace. The due date for proposals is May 26th. Procurement staff continue to develop procedural training tools for Agency employees, which will be implemented in May.

#### Human Resources

In the beginning of May, HR staff arranged for a CalPERS Supplemental Income 457 Plan representative visited the Central Office to conduct individual meetings with Agency staff regarding general and individual-specific CalPERS 457 Plan information. The CalPERS representative was completely booked...
for the day and received several additional requests from employees to meet. Due to the number of these requests, CalPERS 457 is scheduled to return to the Central Office on May 25, 2016 as well as May 31, 2016 to offer additional opportunities for staff to meet with the representative.

On May 13th, HR Assistant Amber Lujano represented the Agency at the 2016 Fresno County Veterans Job Fair at the American Legion Post 509 to promote Agency opportunities and to further our outreach efforts with the Fresno veteran community.

In the month of April, HR Assistant Lujano also attended a Central Valley Employment Relations Consortium workshop facilitated by Liebert Cassidy Whitmore in Kerman. The topics covered were on Disability Discrimination, Family and Medical Care Leave, Workers’ Compensation, and Disability Retirement: Administering Overlapping Laws.

Aysha Hills, HR Analyst, and Andrew Gordillo, HR Assistant, attended the Central California Society of Human Resource Management (CCSHRM) luncheon on Developing an Effective and Sustainable Wellness Program. The topic was presented by Wendy Hausotter, a Workforce Health Consultant from Kaiser Permanente.

The Human Resources Department welcomed Michael Mosley to the Accounting team in the position of Controller. The HR Department also completed recruitment for internal positions within the Housing Choice Voucher (HCV) Department, as a result of the HCV work analysis, and is pleased to announce the following promotions within HCV:

- **Assistant Manager:** Christine Muro, Angela Verdialez, and Brenda Smith
- **Housing Navigator:** Eduardo Rodriguez
- **Senior Housing Specialist:** Monica Alvarado, Kat Tickel, Lisa Sanchez, and Melissa Wagner
- **Senior Leasing Specialist:** Dawnmarie Applegate
- **Senior Housing Quality Inspector:** Anthony Esparza, Desiree Haynes, and Laura Martinez
- **Leasing Specialist:** Minnita Johnson, Susana Diaz, and Stephanie Miller
- **Market Specialist:** Crystal Huerta
- **HQS Inspections Scheduler:** Candace Baker and Crystal Aguilar

In addition, we are pleased to announce that Nerissa Richardson was promoted to Accountant and Brandon Gonzalez was promoted to Community Development Coordinator. Currently, the HR department continues to actively recruit for positions within the Accounting and Housing Choice departments.

**IT Services**

**ConnectHome Baseline Survey results:** The Agency conducted a door to door survey to measure broadband adoption for the Get Connected Fresno initiative. The sample size was relatively small. HUD supplied a list of 24 public housing residents living at Parc Grove. The survey indicated that out of the 18 responses, 6 were without internet and 3 of those residents have never had internet. Although a very small sample size, this is bit higher than the national average. According to the Census Bureau, 1 in 4 U.S households are without internet access. (charts below)
**Bizhub pickup:** Agency IT Staff cleared out legacy printing equipment. The manufacturer picked the devices up to be disposed of properly.

**Housing California:** Bobby Coulter (IS Manager) along with staff from Planning and Community Development, Finance, and Communications departments attended the annual Housing California conference in Sacramento. The purpose of IT staff’s attendance was to explore the ways that data management is impacting the industry. As we learn more about Yardi, it is imperative to know what type of data we want to collect and focus on to ensure success. There were a lot of very informative sessions but one of the most useful was the use of logic models to simplify communications. Some agencies were able to lay out the entire makeup of a property on a single sheet of paper that can be used for training, financial performance, staff performance, etc. This is exactly the type of efficiency gains we should be able to achieve once we are live with Yardi.

**Enterprise Management System Implementation:** EMS was covered on the April 26, 2016 board meeting presentation.

The full implementation of the Yardi system across all Agency departments and sites is scheduled to go live on September 1, 2016.

**Structure**

*Maintain a committed, active, community-based Boards of Commissioners.*

Staff continues to make progress in this area and will report to the Boards upon outcomes being obtained.
Strategic Outreach

*Heighten agency visibility, facilitate community dialogue about housing solutions; and build support for the agency and quality affordable housing.*

Staff continues to make progress in this area and will report to the Boards upon outcomes being obtained.

Questions?
Consideration of Transfer of Ranchwood Condos

Boards of Commissioners Meeting
Fresno Housing Authority
May 24, 2016
History

• Two condominiums were purchased in 2007 using a Cal-HFA HELP Loan
  – Loan funds were required to be used for homeownership housing, with homebuyers receiving support services.
  – Acquisition and rehab costs totaled $277,551.41
• Since 2007, several attempts have been made to sell the properties.
  – Private mortgage lending not available at the complex.
  – Units have generally been vacant.
• Funding restrictions, on-going costs and complementary services have led to our partnership with Habitat for Humanity.
Partnership

- Habitat for Humanity of Fresno (HFH) is an international, non-profit organization dedicated to providing decent and affordable housing.
  - Provides affordable mortgages to qualified homeowners
  - Offers homebuyers classes in personal finances, home maintenance, and homeownership
  - Repairs and renovates existing housing
  - Leads holistic neighborhood revitalization efforts
  - May provide microloans for home improvements
Recommendation

• Staff is recommending that the Boards of Commissioners approve the transfer the two assets to Habitat for Humanity.
Gift of Public Funds

• In the public sector, California’s Constitution specifically prohibits “gifts” of public resources, often referred to as the ban on “gifts of public funds.” (Cal. Const. art. XVI, § 6)

• Public agency support for charitable organizations are allowed when:
  1) When the charity provides a service that complements or enhances a service that the public agency also provides
  2) When there is an identifiable secondary benefit to the public agency; or
  3) When the charity provides a service the public agency could provide but chooses not to.
