Further, the comparison revealed private security companies were unable to provide comparable services which were exclusively available to the Police department including:

- Immediate access to law enforcement information.
- Immediate access to special task forces including the Multi Agency Gang Enforcement Consortium (MAGEC) Team, special tactics teams.
- The general public show a greater respect in the presence of a police officer.

Executive Summary
Fresno Housing Authority fulfills its affirmative responsibility to try to collect delinquent debts that are owed to the Agency, until it becomes evident that a debt is “uncollectible”. When that occurs we terminate collection action and write off the debt. The Housing Authority engages in active collection efforts, such as demand letters, repayment agreements, credit bureau reporting, garnishments obtained by Judgments at Small Claims Courts and referrals to HUD’s Enterprise Income Verification System (EIV). EIV blocks former tenants from receiving future assistance until debts owed are paid.

Preston Prince, Secretary of the Boards of Commissioners
Executive Summary

The purpose of this memo is to seek the Boards of Commissioners’ approval for the CEO/Executive Director to continue to utilize the CALNET3 contract with AT&T telephone and data services for one year, beginning August 1, 2017, for an amount not to exceed $300,000.

In June 2016, the Boards approved the contract with AT&T to upgrade the Internet infrastructure for an amount not to exceed $300,000. The new infrastructure provided a one hundred and ten (110) percent increase in bandwidth, enhanced disaster recovery, and ensured that remote sites became less reliant on connectivity at the Central Office. As of July 2017, twelve of the seventeen sites have been upgraded.

The Agency is utilizing an Intergovernmental Agreement through the CALNET 3 State-wide Contract, as allowed by the Agency’s Procurement Policy and the HUD Procurement Handbook. The CALNET3 contract term expires on 6/30/2018, and offers a substantial discount over what the Agency would be required to pay if we purchased the service on our own. Agency staff will continue to evaluate pricing annually to ensure that the CALNET3 contract is the best fit for the Agency.

Fiscal Impact

The Agency would like to continue to contract with AT&T for Internet and Phone service. The contract is set not to exceed $300,000. As of June 1, 2017, the Agency spent $73,658 on internet and telephone services. The reason that the amount is lower than the projected is due to the fact that AT&T will not start billing for the new rates until the remaining five sites are complete.

Recommendation

It is recommended that the Boards of Commissioners authorize the CEO/Executive Director to continue to utilize the CALNET3 contract with AT&T telephone and data services for one year, beginning August 1, 2017, for an amount not to exceed $300,000.

Executive Summary

PHA’s are governed by three prevailing policy and administration documents. The Annual Plan is submitted every year outlining progress on activities for the PHA. This is also an opportunity for the PHA to amend and/or include significant changes to the Agency’s Five Year Plan (2015-2019) forecasted activities affecting the overall mission and goals, financial and asset management, current and proposed developments, etc. The Administrative Plan (Admin Plan) encompasses and clarifies the policies applicable to the administration of the Housing Choice Voucher Program (HCV). Finally, the Admissions & Continued Occupancy Policy (ACOP), encompasses the policies and some procedures applicable to the Low Income Public Housing Program (LIPH). Annual updates to the Admin Plan and ACOP present an opportunity to streamline processes for efficiency, consistency, and flexibility. In accordance with Section 511 of the Quality Housing and Work Responsibility Act of 1998, 24 CFR Part 903 and subsequent U.S. Department of Housing and Urban Development notices, Fresno Housing (FH) staff has prepared updates to the 2018 Plans for the City and County noted above.

Certain policy changes are being proposed across both HCV and LIPH program as a result of rules established by HUD and some are recommendations being made by staff.

A separate draft PHA Annual Plan is provided for each housing authority. Attached are the following documents:

Attachment A: Draft PHA Agency Plan for the City
Attachment B: Draft PHA Agency Plan for the County
Attachment C: Summary of 2018 Proposed Changes for Annual Plan
Attachment D: Summary of 2018 Proposed Changes for Admin Plan
Attachment E: Summary of 2018 Proposed Changes for ACOP Plan

Attachment F: Resident Advisory Board Minutes

The 45-day public comment period for the PHA Plan, which begins on August 6, 2017, will be announced in the Fresno Bee and posted on our website. The notice instructs the public on how they may access, review, and comment on the proposed plan. The 45-day comment period ends on September 20, 2017. Staff have met with the Resident Advisory Boards in May and June to discuss proposed policy changes and receive their feedback. Those comments are attached to this report. Additional meetings are planned. Any further comments received from the public and the Resident Advisory Boards will be presented to the Commissioners at the Public Hearing to be held concurrently with the regular September Board meeting in the Central Office Boardroom on September 26, 2017. At that time the Commissioners will be asked to adopt the 2018 PHA Annual Plans for submission to HUD by October 17, 2017.

**Recommendation**
Informational only. No action is necessary.
Purpose. The 5-Year and Annual PHA Plans provide a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA’s operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA’s mission, goals and objectives for serving the needs of low-income, very low-income, and extremely low-income families.

These areas have been identified in a map based on 2015 ethnicity and poverty ACS US census data, and is available to voucher holders and program participants searching for housing. This information is shared at the briefings with our families as an incentive to consider locating in other non-impacted areas of the City.

Non-impacted areas are predominantly located north of Shields Avenue, both in Fresno and in Clovis, and east of Minnewawa Avenue in Southeast Fresno, as shown in the map, which is available for families searching for units. This map is also used in briefing families to explain the benefits of locating outside areas of poverty or minority concentration.

The HAFC conducts active outreach to landlords in the community through its monthly participation at the California Apartment Association meetings. In addition, periodic outreach is done to large apartment complexes. Encouraging owners to rent units which are located throughout the city, including non-impacted areas is a part of this outreach.

The briefing materials contains maps and information about the characteristics of various non-impacted areas in the Fresno jurisdiction to educate families regarding various opportunities in these areas.

Southeast Fresno RAD excess transfer – up to 3 PBRAs
The Fresno Housing Authority will be converting to Project Based Rental Assistance under the guidelines of PIH Notice 2012-32, REV-2 and any successor Notices.

Upon conversion to Project Based Rental Assistance the Authority will adopt the resident rights, participation, waiting list and grievance procedures listed in Section 1.7 of PIH Notice 2012-32, REV-2 and Joint Housing PIH Notice H-2016-17/PIH-2016-17. Additionally, the Fresno Housing Authority certifies that it is currently compliant with all fair housing and civil rights requirements.
At RAD conversion, current households (including those temporarily relocated to facilitate construction or rehabilitation) will not be subject to rescreening, income eligibility, or income targeting provisions, but will be subject to any ongoing eligibility requirements for actions that occur after conversion.

- All current households in good standing at RAD sites will, upon conversion, have a right to return after any temporary relocation necessary to facilitate rehabilitation or construction.
- Tenant rent increases purely as a result of conversion and that exceed the greater of 10% or $25 greater will be phased in over a 3 year period, which may extend to 5 years in accordance with HUD requirements.
- Tenants who currently participate in the ROSS-SC and FSS programs may continue to participate.
- Any tenants who currently receive the earned income disregard (EID) will continue to be eligible for it until the earlier to occur of: the tenant receiving the EID exclusion undergoes a break in employment or ceases to use the EID exclusion, or the EID exclusion expires.
- No other tenants at the RAD site may receive the EID. Tenants whose EID ceases or expires after conversion shall not be subject to the rent-phase in; rather, the rent will automatically adjust to the appropriate rent level based upon tenant income at that time.
- The Housing Authority and Owner will continue to recognize and fund legitimate residents organizations.
- Tenants will be afforded the procedural rights consistent with section 6 of the U.S. Housing Act of 1937, as amended, and as interpreted by HUD in the RAD Notice PIH-2012-32, REV-2, including termination notification and a grievance process. Those procedural rights will be incorporated into the House Rules for the RAD conversion sites.
- Tenants of RAD conversion sites may move with tenant-based rental assistance on or after the later to occur of: (a) 24 months from date of execution of the RAD HAP or (b) 24 months after the move-in date. Notwithstanding this choice-mobility right, the Housing Authority will not provide, in any year, more than one-third of its turnover vouchers to the residents of its RAD projects and no more than 15% of the households in a RAD project may move under the choice-mobility option in a given year.
- Any residents in place at the time of conversion to PBRA, as well as newly admitted residents, the owner may not process a termination of assistance if the Total Tenant Payment (TTP) (i.e., 30% of adjusted gross income paid toward rents and utilities) exceeds the contract rent plus any utility allowance. Instead, the owner must charge a tenant rent that is the lesser of 30% of the household adjusted income, less the utility allowance in the contract with the tenant retaining all rights under the Model PBRA Lease.

### B.2. New Activities (continued).

Additionally, the Fresno Housing Authority certifies that it is currently compliant with all fair housing and civil rights requirements, that the RAD conversions described in this plan comply with applicable site selection and neighborhood review standards. The Housing Authority is not presently under any voluntary compliance agreements, orders, rulings, or similar decisions that would be negatively impacted by RAD conversion activities described herein.

The RAD conversion will comply with all applicable site selection and neighborhood review standards and Fresno Housing Authority has followed all appropriate procedures.

The Fresno Housing Authority will submit all required information and certifications necessary to submit a Significant Amendment to the PHA Plan, including Resident Advisory Board comments and responses, challenged elements, and all required certifications.

RAD was designed by HUD to assist in addressing the capital needs of public housing by providing the Fresno Housing Authority with access to private sources of capital to repair and preserve its affordable housing assets. Please be aware that upon conversion, the Authority's annual Capital Fund Budget will be reduced by the pro rata share of Public Housing Developments converted as part of the Demonstration, the annual estimate for which is included in the attachment. Please be aware that the Fresno Housing Authority may also borrow funds to address their capital needs.

Attached, please find specific information related to the Public Housing Developments selected for RAD.

Policy changes for converted projects that will result in a transfer of assistance related to eligibility may include the following:

- HOME requirements limiting the housing to very low-income and low-income families;
- HOME requirements reasonably related to the applicants' ability to perform the obligations of the lease (i.e., to pay the rent, not to damage the housing; not to interfere with the rights and quiet enjoyment of other tenants);
- Low Income Housing Tax Credit (LIHTC) requirements based on maximum annual income at 60% of area median income and eligibility requirements of the LIHTC program

Policy changes for converted projects that will result in a transfer of assistance related to waiting list, admission, and selection may include the following:

- Establishment of a new site-based waiting list. Applicants on the current site-based wait-list will be notified of the transfer of assistance, and on how they can apply for residency at the new project site or other sites. Applicants on the project-specific waiting list for the projects that will have a transfer of assistance shall have priority on the newly formed waiting list for the new project site in accordance with the date and time of their application to the original project's waiting list.
- Adopting HOME preferences for a particular segment of the population if permitted in its written agreement with the participating jurisdiction (and only if the limitation or preference is described in the participating jurisdiction's consolidated plan).
- Adopting preferences for veterans for project based rental assistance units.
All current households in good standing at RAD sites will, upon conversion, have a right to return after any temporary relocation necessary to facilitate rehabilitation or construction and will have priority for admission to the new site.

The Fresno Housing Authority will also be contributing Operating Reserves in the amount of $1,226,964, Capital Funds in the amount of $1,234,712 towards the conversion.

Renaissance Development – up to 60 Project-Based Vouchers

Site-based waiting lists will be established for each mixed finance development.

Statement of how project basing would be consistent with our PHA Plan:

As the Agency strives to provide housing opportunities for individuals and families in need throughout the City of Fresno, especially those who are most vulnerable, project based vouchers (PBV’s) are an essential resource. To date, two projects are under consideration targeting persons with very-low incomes, generally below 30-40% of the area median income. Both projects was selected in accordance with HUD Title 24 Part 983.51 and HACCFs Administrative Plan. Selected projects have demonstrated a need for rent subsidy in order to help offset basic operating costs and allow for the projects’ financial feasibility.

Provide a description of the PHA’s progress in meeting its Mission and Goals described in the PHA 5-Year Plan.

(b) The PHA must submit its Deconcentration Policy for Field Office Review.

Housing Choice Voucher (HCV) Deconcentration policy is as follows:

The HAFC is committed to taking action to encourage participation by owners of units located outside areas of poverty or minority concentration. These areas have been identified in a map based on 2015 ethnicity and poverty ACS US census data and is available to voucher holders and program participants searching for housing. This information is shared at the briefings with our families as an incentive to consider locating in other non-impacted areas of the City.

Non-impacted areas are predominantly located north of Shields Avenue, both in Fresno and in Clovis, and east of Minnewawa Avenue in Southeast Fresno, as shown in the map, which is available for families searching for units. This map is also used in briefing families to explain the benefits of locating outside areas of poverty or minority concentration.

The HAFC conducts active outreach to landlords in the community through its monthly participation at the California Apartment Association meetings. In addition, periodic outreach is done to large apartment complexes. Encouraging owners to rent units which are located throughout the city, including non-impacted areas is a part of this outreach.

The briefing materials contain maps and information about the characteristics of various non-impacted areas in the Fresno jurisdiction to educate families regarding various opportunities in these areas.

The Fresno Housing Authority will be converting to Project Based Rental Assistance under the guidelines of PIH Notice 2012-32, REV-2 and any successor Notices.

Upon conversion to Project Based Rental Assistance the Authority will adopt the resident rights, participation, waiting list and grievance procedures listed in Section 1.7 of PIH Notice 2012-32, REV-2 and Joint Housing PIH Notice H-2016-17/PIH-2016-17. Additionally, the Fresno Housing Authority certifies that it is currently compliant with all fair housing and civil rights requirements.

At RAD conversion, current households (including those temporarily relocated to facilitate construction or rehabilitation) will not be subject to rescreening, income eligibility, or income targeting provisions, but will be subject to any ongoing eligibility requirements for actions that occur after conversion.

- All current households in good standing at RAD sites will, upon conversion, have a right to return after any temporary relocation necessary to facilitate rehabilitation or construction.
- Tenant rent increases purely as a result of conversion and that exceed the greater of 10% or $25 greater will be phased in over a 3 year period, which may extend to 5 years in accordance with HUD requirements.
- Tenants who currently participate in the ROSS-SC and FSS programs may continue to participate.
- Any tenants who currently receive the earned income disregard (EID) will continue to be eligible for it until the earlier to occur of: the tenant ceases to receive the EID exclusion or the EID exclusion expires. No other tenants at the RAD site may receive the EID. Tenants whose EID ceases or expires after conversion shall not be subject to the rent-phase in; rather, the rent will automatically adjust to the appropriate rent level based upon tenant income at that time.
- The Housing Authority and Owner will continue to recognize and fund legitimate residents organizations.
- Tenants will be afforded the procedural rights consistent with section 6 of the U.S. Housing Act of 1937, as amended, and as interpreted by HUD in the RAD Notice PIH-2012-32, REV-2, including termination notification and a grievance process. Those procedural rights will be incorporated into the House Rules for the RAD conversion sites.
- Tenants of RAD conversion sites may move with tenant-based rental assistance on or after the later to occur of: (a) 24 months from date of execution of the RAD HAP or (b) 24 months after the move-in date. Notwithstanding this choice-mobility right, the Housing Authority will not provide, in any year, more than one-third of its turnover vouchers to the residents of its RAD projects and no more than 15% of the households in a RAD project may move under the choice-mobility option in a given year.
- Any residents in place at the time of conversion to PBRA, as well as newly admitted residents, the owner may not process a termination of assistance if the Total Tenant Payment (TTP) (i.e., 30% of adjusted gross income paid toward rents and utilities) exceeds the contract rent plus any utility allowance. Instead, the owner must charge a tenant rent that is the lesser of 30% of the household adjusted income, less the utility allowance in the contract with the tenant retaining all rights under the Model PBRA Lease.

Additionally, the Fresno Housing Authority certifies that it is currently compliant with all fair housing and civil rights requirements, that the RAD conversions described in this plan comply with applicable site selection and neighborhood review standards. The Housing Authority is not presently under any voluntary compliance agreements, orders, rulings, or similar decisions that would be negatively impacted by RAD conversion activities described herein.
The RAD conversion will comply with all applicable site selection and neighborhood reviews standards and Fresno Housing Authority has followed all appropriate procedures.

The Fresno Housing Authority will submit all required information and certifications necessary to submit a Significant Amendment to the PHA Plan, including Resident Advisory Board comments and responses, challenged elements, and all required certifications.

RAD was designed by HUD to assist in addressing the capital needs of public housing by providing the Fresno Housing Authority with access to private sources of capital to repair and preserve its affordable housing assets. Please be aware that upon conversion, the Authority's annual Capital Fund Budget will be reduced by the pro rata share of Public Housing Developments converted as part of the Demonstration, the annual estimate for which is included in the attachment. Please be aware that the Fresno Housing Authority may also borrow funds to address their capital needs.

New Activities (continued).

The program is intended to provide housing assistance and supportive services to Persons Living With HIV/AIDS (PLWHA). Funding is intended to be provided for one (1) year of assistance or until funding is exhausted with possible yearly renewal.

HOME Tenant Based Rental Assistance

HACF has been subcontracted to administer the HOME Tenant-Based Rental Assistance Program (HOME TBRA) on behalf of the City of Fresno. The contract will commence on or about January 1, 2017 and end on or about September 30, 2018. The purpose of HOME TBRA is operation of a supportive housing program via tenant based rental assistance to homeless individuals/families identified by HACF and partners of the Fresno Madera Continuum of Care (FMCoC). The HOME TBRA program is available in the City of Fresno only and is not portable to Fresno County, other counties and/or states. Eligibility is centered on those individuals/families who exhibit homelessness as defined by the U.S. Department of Housing and Urban Development. Additional eligibility could entail measure of morbidity and/or permanent supportive housing suitability as measured by the Vulnerability Index & Service Prioritization Decision Assistance Tool (VI-SPDAT).

Rapid Rehousing

HACF has grant funding under the U.S. Department of Housing and Urban Development Continuum of Care program to operate rapid rehousing and supportive services via a tenant based rental assistance program. Assistance will be provided for a period of no longer than twenty-four (24) months or until funding is exhausted for the program. This rental assistance is available in Fresno County only; rapid rehousing is not portable to other counties and/or states. Eligibility is limited to applicant households that consist of at least one (1) adult and one (1) child under age 18; exhibit homelessness as defined by U.S. Department of Housing and Urban Development and applicant household income must be below 30% Area Mean Income (AMI). The rapid rehousing program is modeled after the Shelter Plus Care program in all aspects; with one (1) exception – inclusion is strictly limited to applicant households with children under age 18.

Partnerships

HACF is partnered with community agencies belonging to the Fresno Madera Continuum of Care to assist in operation of permanent support housing funded by U.S. Department of Housing and Urban Development Continuum of Care program. New Activities (continued).

Statement of how project basing would be consistent with our PHA Plan:

As the Agency strives to provide housing opportunities for individuals and families in need throughout Fresno County, especially those who are most vulnerable, project based vouchers (PBV’s) are an essential resource. To date, projects that are under consideration are targeting persons with very-low incomes, generally below 30-40% of the area median income. Projects are selected in accordance with HUD Title 24 Part 983.51 and HACCFs Administrative Plan. Selected projects will have demonstrated a need for rent subsidy in order to help offset basic operating costs and allow for the projects’ financial feasibility.
SSO

HACF has grant funding under U.S. Department of Housing and Urban Development Continuum of Care program to provide supportive services only to assist homeless individuals to access housing and supportive services. Assistance will be provided for a period of no longer than twelve (12) months or until funding is exhausted for the program. Supportive services are available in Fresno and Madera Counties only; and are not portable to other counties and/or states. Eligibility is centered on those individuals/families who exhibit homelessness as defined by U.S. Department of Housing and Urban Development. Additional eligibility could entail measure of morbidity and/or permanent housing suitability as measured by the Vulnerability Index Service Prioritization Decision Assistance Tool (VI-SPDAT).

On June 24, 2016, the HCV Resident Advisory Board (RAB) meeting was held to discuss the proposed changes to the 2018 Administrative Plans. An overview was given of what a PHA and Administrative Plan are and the purpose of the Resident Advisory Board. The attached Summary of Proposed changes was presented in a power point format to allow each RAB member to provide comments on each subject.

Family and household

- A family with or without children; (A child who will be temporarily away from the home for no more than 12 months due to placement in foster care should be considered a member of the family.
  - Resident: is criminal action taken into consideration if a child is taken away? (Will the participant lose the voucher or does family gets to keep voucher).
  - PHA: in criminal action this is up to CPS. In regards voucher family to keep voucher as long as they are within regulation of the program.

Co-Head Definition:

- When an applicant lists a co-head on the initial application, the FHA leasing staff member will ask the applicant to define the relationship with the co-head. If the co-head is a spouse or partner, the co-head will be treated as such and will not be counted in the bedroom size for the purposes of awarding an additional voucher bedroom size. If the relationship with the co-head is anything other than a
spouse or partner, FHA leasing staff will include the co-head in the rest of the voucher bedroom size calculation. Changing for the purpose of accurately counting bedroom size.

- Resident: what other co-heads can be counted as family members (example: if 2 seniors want to rent a place together but due to medical issues they need a 2 bedroom can they get it?
- PHA: Normally the way it works is 2 people per bedroom however; as long as they have a reasonable accommodation such a doctor’s note it might be possible.

**Students enrolled in institutions or higher learning**

- If a student enrolled in an institution of higher education, is under the age of 24, not a veteran, is not married and does not have a dependent child and is not a person with disabilities receiving HCV assistance as of 11/30/2005 the student eligibility must be examined along with the income eligibility of the students’ parents. In these cases, both the student and the students’ parents must be income eligible for the student to receive HCV assistance. If, however a student in these circumstances is determined independent from his/her parents and accordance with HACF policy, the income of the students’ parents will not be considered in determining the student’s eligibility.

  - Resident asked if this applied for new applicants and household add
  - PHA: yes both

**Joint custody of children:**

- When both parents are on the waiting list and both are trying to claim the child, additional verification may be required, such as school records, to determine who may claim the child as a dependent. Remove language stating we will use the address listed in the school records when determining who may claim the child. Allows us to consider other verification procedures when determining joint custody.

  - No Comments

**Voucher Size:**

- Removing zero bedroom voucher

  - No Comments

**Changes in family and household composition:**

- In general, all changes to the family and household composition must be reported to the HAFC within 30 calendar days. Previously this was set at 10 days.

  - Resident: is a very good idea that you are now giving us 30 days to notify FHA to report any changes. Very helpful and less stressful.

**Mutual termination of lease:**

- In case of domestic violence, the provision contained in The Violence Against Women Act 2013 may be cause for mutual termination of the lease.
Resident: Is there any penalties and is owner going to allow for contract to be terminated?
PHA added: Mutual termination no penalties; owners are also mandated to break lease for the safety of participants (to protect victims).

Income limits:
- Eligible individuals / families must be at 30% of the area median income or lower to participate in the CoC program. Previously set at 50% of the median income, change based on HUD regulations.

PHA: this will help individuals with lower income.

Item not on agenda:
- Currently working on a language proposal to help house, household add for Individuals that are incarcerated. What are your thought on this?

Residents: we think is a great idea and it will also help them not to become a repeat offender.
PHA: What do you think people are going to think if we help people like this individuals?
Residents: As long as they are in compliance and they are accountable for not following FHA rules we think is great.
PHA: we would like to do a demo with about 20 individuals; there will be limitations (NO SEX OFFENDERS).
Residents: we think is great especially if this individual can help the family financially by working and help with kids so the head of household can work. This is a great way to support offenders and give them a second chance.
One individual didn’t feel comfortable having an offender living next door due to having small kids.
Residents: What happens when this individuals don’t follow the rules and continue with their old habits?
PHA: We have our policies and service calls for people to report them if they see a participant not following FHA rules. Also the family has a choice to remove them from the household if they continue with their old habits.

Round table open discussion:
- Resident questions: what other documents can we provide to verify a family member is no longer in the home; if the family member that is being removed does not have a place to live in?
PHA: there is other ways to verify. Resident was suggested to contact her case worker.
Residents: What happens if mails gets lost, and it looks like we never turned in our documents next thing you know we receive a letter in the mail that reads “FINAL NOTIFICATION”.
PHA: It is always a good idea to drop them off in person and or scan and email them to your worker.
Residents: For individuals that do not have access to a computer and or internet is it possible to have a scanner available for participants to use.
PHA: We will take that idea into consideration.

With there being no recommendations for changes from the Resident Advisory Board, the meeting was adjourned at 2:30 PM. A follow up meeting TBD.

Executive Summary
The purpose of this memo is to present the financial results as of December 31, 2016. The attachment provided with this memo shows the consolidation of all Housing Authority programmatic budgets combined into six divisions. Each budget, separately and together as a whole, is intended to ensure that the Fresno Housing Authority remains fiscally sound while investing in the Agency’s future, and delivering services in accordance with our mission statement.

Agency Operating Budget

For 2016, total income for the Agency was $757 thousand better than budgeted, expenses were $145 thousand lower than projected, and net operating income was $902 thousand better than budgeted. While overall net operating income was higher than projected, unrestricted cash flow was approximately $99 thousand lower than originally budgeted. This is mainly attributable to a timing delay in receiving the 2016 budgeted developer fees, most of which have been received in fiscal year 2017. Other major variances from the budget include additional revenue to the Housing Choice Voucher program due to increased proration levels, additional grant expenditures in the Assisted Housing division (AHD) which increases revenues and expenses, and higher tenant rental income for the Agency-managed properties within Housing Authority operations.
Management (HSM). Additional details on major variances in revenues and expenditures are categorized below by Division:

- **Core**: Overall, the Core Division operated slightly better than budgeted. Revenues and expenses were in line with the budget; however, non-operating expenses were slightly lower than anticipated. This variance was due to the refinancing of the Cal-HFA loan that is paid out of Core. In February 2016, the Agency refinanced the loan to extend the payment periods, thus reducing the payment amount that was due each year.

- **Instrumentalities**: The Instrumentalities Division ended the year with an additional $88 thousand in restricted net income. This is due to additional interest income that was earned on loans made by HRFC.

- **Planning & Community Development**: This division saw a decrease in both revenues and expenses for 2016, both of which centered on Developer Fees. The Agency budgeted to receive $5 million in Developer Fees and pay an associated $1.1 million in Consulting/Co-Developer Fees (shown on the Administrative Expense line item). Of the $5 million of revenue that was originally budgeted, the Agency received $2.6 million in 2016, $2.1 million was included in the 2017 budget, and the remaining $300 thousand was expected to come in the fourth quarter of 2016 but was received in the first quarter of 2017. Of the $2.1 million that was included in the 2017, the Agency has already received $1.3 million and the remaining variance is due to delays in receiving the required 8609’s from the California Tax Credit Allocation Committee (TCAC). This also explains the reduced Consulting/Co-Developer Fees, as the payment of these fees are contingent upon the receipt of the Developer Fee Revenue.

- **Assisted Housing**: Variances in this division are revenue-related. Overall, the division received an additional $2.4 million over the projected budget. This is mainly attributable to increased proration for the Housing Choice Voucher program, representing $2.0 million of the total revenue variance. Staff conservatively budgeted the HCV Administrative Fee proration at 70%, and final proration for the year came in at 84%. The original 2016 budget was approved in December 2015; however, Housing Authorities across the nation aren’t notified of final proration numbers until mid-year. The remaining variance in Assisted Housing revenue is in the Other Grant Income line item and is attributable to additional grant income that was received for local Homeless programs, including the TBRA, HOME and CoC grants. These grants are reimbursement-based, so as the Agency spends dollars on services, the Agency will receive additional grant income.

- **Housing Management**: Revenues and expenses in the Housing Management Division (HSM) were better than budgeted for 2016. Revenues were higher than projected due to increased net tenant income, mostly notably at Maldonado Plaza. During 2016, Housing Management staff renegotiated the contract with the labor contractor who utilizes the migrant, farmworker property, which brought in an additional $250 thousand in 2016. Other variances in the Net Tenant Income line item are distributed across all other properties. On the expense side, operating expenses are slightly lower than budgeted and non-operating expenses are slightly higher than budgeted. Payroll expenses are lower than budgeted due to some key positions that remained vacant until later in the year. Non-operating expenses are higher than budgeted due to contributions to reserves that were not originally budgeted.
Affordable Housing: Overall, the Affordable Housing Division operated within budget constraints. There are no significant variances to report in this division.

Housing Assistance Payments (HAP) Budget

Housing Assistance Payments (HAP) are the subsidies paid to landlords on behalf of residents participating in the Housing Choice Voucher program (formerly known as “Section 8”) and the Shelter Plus Care program. Revenues and expenses for Housing Assistance Payments are slightly off budget as of December 31, 2016. Revenues were less than anticipated due to HUD’s forced use of restricted HAP reserves. HUD forces PHA’s with HAP reserves to utilize their own reserves by giving them less HAP income. HAP expenditures were approximately $3.0 million lower than originally budgeted due to low voucher utilization rates in the County and lower than budgeted Per Unit Costs (PUC) in both programs. PUC is being addressed by staff as we look at increasing payment standards in 2017. Below is a summary of HAP revenues and expenses as of December 31, 2016.

Preston Prince, Secretary of the Boards of Commissioners
Executive Summary

The purpose of this memo is to request the Board of Commissioners’ approval of the 2017/2018 and 2018/2019 Standard Agreement and Fiscal Year Operations Contract No. 17-OMS-11335, from the California Department of Housing and Community Development (HCD) Office of Migrant Services (OMS). The Standard Agreement and Operating Budget Contract provides funding for the operation of the Parlier Migrant Center.

In 2013, HCD amended the annual agreement and budget contract approval process and revised it to include two fiscal operating years per contract. The fiscal year of the OMS program is July 1 - June 30th. Approval of this contract will provide operational funding for 2 consecutive years. July 1, 2017 – June 30, 2018 contract at $588,475.00 and July 1, 2018 - June 30, 2019 contract at $555,418.00 The contract amount of $1,187,213.00 includes both annual budgets and a contingency amount should an amendment to increase operations is required.

This year a draft version of the proposed standard agreement is being presented for approval due to a delay from HCD. However, we expect the final agreement to be substantially the same as the draft presented. The proposed language is similar to previous years’ agreements and the revisions are highlighted in the draft attached. A summary of the changes being recommended include: the disbursement of funds, special funding provisions, financial management, including rent processing, reporting requirements and fiscal year start up request. Staff have participated in the contract revision process and will continue to work with the agency attorney prior to executing the contract.

Recommendation

It is recommended that the Board of Commissioners of the Fresno Housing Authority adopt the attached resolution approving the Parlier Migrant Center 2017/2018 – 2018/2019 Fiscal Year Operations Contracts in the total amount of $1,187,213.00, and authorizing the CEO/Executive Director or Tracewell Hanrahan, Deputy Executive Director/COO to execute the finalized
standard agreement from the California Department of Housing and Community Development, subject to approval of our general counsel.

**Fiscal Impact**

Approval of this contract in the amount of $1,187,213.00 enables receipt of funding from the California Department of Housing and Community Development (HCD) as the operating budget for the Parlier Migrant Center as outlined in the attached.

**Background**

The Parlier Migrant Center (PMC) is a 131 unit migrant farm worker housing complex located in Parlier, CA. The facility is open seasonally to migrant farm workers and their families who have permanent residence over 50 miles from the center’s location and who receive at least 50% of their income from agricultural employment. The annual operating budget for PMC is funded through a contract with OMS. The PMC is the largest in the state and has been in operation for over 30 years.

At the sole discretion of the Department, this amount may be adjusted per annum in accordance with the grant allocation provided by the State of California to the Department, which may require an amendment to this Agreement.

   B. Unless amended, the Department is not liable for any costs for the Work in excess of the amount of this Agreement, nor for any unauthorized or ineligible costs.

   C. Funds provided under this Agreement shall be provided in the form of a grant only for the approved purposes and itemized amounts as stated in Exhibit B-1 Year One Operating Contract Budget and Exhibit B-2 Year Two Operating Contract Budget (“Budgets”) attached hereto and incorporated herein.

   D. Upon Year 2 of this Agreement’s term, Exhibit B-2 may be modified to adjust line item amounts in accordance with the Contractor’s Year 2 allocation, as granted by the State of California to the Department.

   E. Any adjustments to the Year 1 or Year 2 Budget require an amendment to this agreement; which may necessitate a written justification.

2. Disbursement of Funds

   A. Upon receipt of a certified resolution, determined to be legally sufficient by the Department, and the execution of this agreement, the Department agrees to disburse to the Contractor or its authorized agent, funds not to exceed the total amount stated in Paragraph 1.A of this Exhibit.

   B. The Department further agrees to disburse said funds only for the approved purposes and itemized amounts as described in the Budget.

   C. The Department shall reimburse the Contractor monthly in arrears for the Contractor’s actual and necessary expenses in accordance with the Budget and upon receipt of (but not limited to) the following items:

      Signed timesheets, reserve accounts, tenant security deposit account, CARE account bank statements, rental income reports with copies of corresponding monthly rental income checks remitted to the Department as described in Exhibit D(2)(A), detailed ledgers that originate outside of the Contractor’s sole control (i.e.
EXHIBIT B

through an Accounting Branch/Unit) with copies of all utilities bills, Monthly Operations Statement and Request for Reimbursement (invoices), and any other documentation relevant to the operation of the migrant farm labor center, as requested by the Department.

The Department cannot commence processing arrears until it has received the documents detailed above, therefore the Department shall withhold reimbursement until all required documentation is received and verified. The Department will withhold payment for disputed items but all non-contested items will be processed for invoicing and repayment to the Contractor.

D. At the end of each fiscal year, funds provided through this Agreement which are in excess of actual and necessary expenses may be disbursed and deposited into an OMS reserve account established and funded pursuant to Health and Safety Code Section 50710.1(b), provided the Department certifies there is no need to address reasonable general maintenance requirements or repairs, rehabilitation, and replacement needs of the requesting migrant farm labor center(s) which affect the immediate health and safety of residents. The cumulative balance shall not exceed 10 percent of the operating funds annually committed to the Contractor by the Department.

At the end of each fiscal year, all remaining budget funds shall be deposited into an OMS reserve account not to exceed 10% of the operating funds annually committed to the Contractor by the Department, and the difference shall be disencumbered. Funds in the reserve account shall be used only for capital improvements such as replacing or repairing structural elements, furniture, fixtures, or equipment of the migrant farm labor center, the replacement or repair of which are reasonably required to preserve the migrant farm labor center. Withdrawals from the reserve account shall be made only upon receipt of the written approval of the Department detailing the amount and nature of expenditures. Withdrawals or expenditures made without prior Department approval are not subject to required repayment. This reserve account, all other reserve accounts, the tenant security deposit account, and the general operations account must be maintained separately from one another.

E. Upon the effective date of this Agreement, the Contractor may, upon written request, obtain an advance of funds in an amount not to exceed twenty percent (20%) of the total Agreement amount, per annum, as stated in Paragraph 1.A. These advanced funds shall be applied against the final three months of invoices, for each year of funding provided under this Agreement.

F. The Department shall disburse requested funds for Work performed on behalf of or by the Contractor (and actions that are to be performed and documented by the Contractor pursuant to statute, regulation, contract, or schedule) and where accordingly such Work has been documented by the Contractor, or for equivalent
services that have been rendered and documented by the Contractor.

G. If the Contractor is in violation of any provision of this Agreement, the Department may, at its sole discretion, withhold payment of funds under this Agreement until such violations are corrected.

3. **Line Item Changes**

The Contractor may, upon prior written approval by the Department, transfer any approved allocations or portions thereof, to other cost categories listed in the Budget for that fiscal year. In no event shall the total amount of this Agreement be exceeded without prior execution of a formal amendment to this Agreement.

4. **Special Funding Conditions**

A. Funds allocated for Minor Rehabilitation as specified in line item 304 of the Budget shall be subject to the following provisions:

1) Funds may be spent only for the items and activities, in the maximum amounts specified, and according to the priority expressed in Item F of the Budget.

2) Notwithstanding Paragraph 3 of this Exhibit, these funds shall not be subject to transfer to other cost categories.

3) No advances shall be provided by the Department from these funds. All reimbursements shall be in arrears and shall require submission of invoices and related supporting documentation in a manner directed by the Department.

4) Any funds not expended upon the expiration of this Agreement shall be automatically disencumbered on that date and shall not be available for additional expenditures or reimbursements except as provided in Health and Safety Code Section 50710.1(b).

B. Funds allocated in Item B, line 209 “Major Equipment Repair/Maintenance” of the Budget shall be spent only for the items, and in the maximum amounts, specified in Item G of the Budget.

C. Funds allocated in Item B, line 401 “Administrative Support Services” of the Budget shall be calculated as 10% of the total Budget per year, and shall be spent on administrative costs incurred by the Contractor to administer the OMS program.
EXHIBIT B

5. **Availability of Funds**

The obligations under this Agreement are hereby made expressly contingent upon the availability of projected rental income and other funds for the purposes of performing the services identified in this Agreement. It is understood that this Agreement may have been written prior to the beginning of the fiscal year in order to expedite contract processing; however, should adequate funds not be appropriated by the Legislature for the current fiscal year or should other funds be reduced as a result of a court order or any other incident deemed legal and binding by the Department, the Department may exercise its option to cancel this Agreement or, at the Department’s sole discretion, reduce the on-season period, unless the Department and the Contractor either amend this Agreement or mutually agree to budget reductions and a rescission of a portion of the encumbered funds.

GENERAL TERMS AND CONDITIONS

1. **APPROVAL:** This Agreement is of no force or effect until signed by both parties and approved by the Department of General Services, if required. Contractor may not commence performance until such approval has been obtained.

2. **AMENDMENT:** No amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the parties and approved as required. No oral understanding or Agreement not incorporated in the Agreement is binding on any of the parties.

3. **ASSIGNMENT:** This Agreement is not assignable by the Contractor, either in whole or in part, without the consent of the State in the form of a formal written amendment.

4. **AUDIT:** Contractor agrees that the awarding department, the Department of General Services, the Bureau of State Audits, or their designated representative shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this Agreement. Contractor agrees to maintain such records for possible audit for a minimum of three (3) years after final payment, unless a longer period of records retention is stipulated. Contractor agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, Contractor agrees to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this Agreement. (Gov. Code §8546.7, Pub. Contract Code §10115 et seq., CCR Title 2, Section 1896).

5. **INDEMNIFICATION:** Contractor agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all claims and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, and any other person, firm or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by Contractor in the performance of this Agreement.

6. **DISPUTES:** Contractor shall continue with the responsibilities under this Agreement during any dispute.

7. **TERMINATION FOR CAUSE:** The State may terminate this Agreement and be relieved of any payments should the Contractor fail to perform the requirements of this Agreement at the time and in the manner herein provided. In the event of such termination the State may proceed with the work in any manner deemed proper by the State. All costs to the State shall be deducted from any sum due the Contractor under this Agreement and the balance, if any, shall be paid to the Contractor upon demand.
8. INDEPENDENT CONTRACTOR: Contractor, and the agents and employees of Contractor, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the State.

9. RECYCLING CERTIFICATION: The Contractor shall certify in writing under penalty of perjury, the minimum, if not exact, percentage of post consumer material as defined in the Public Contract Code Section 12200, in products, materials, goods, or supplies offered or sold to the State regardless of whether the product meets the requirements of Public Contract Code Section 12209. With respect to printer or duplication cartridges that comply with the requirements of Section 12156(e), the certification required by this subdivision shall specify that the cartridges so comply (Pub. Contract Code §12205).

10. NON-DISCRIMINATION CLAUSE: During the performance of this Agreement, Contractor and its subcontractors shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition (e.g., cancer), age (over 40), marital status, and denial of family care leave. Contractor and subcontractors shall insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Contractor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12990 (a-f) et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, Section 7285 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code Section 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations, are incorporated into this Agreement by reference and made a part hereof as if set forth in full. Contractor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other Agreement.

Contractor shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the Agreement.

11. CERTIFICATION CLAUSES: The CONTRACTOR CERTIFICATION CLAUSES contained in the document CCC 307 are hereby incorporated by reference and made a part of this Agreement by this reference as if attached hereto.

12. TIMELINESS: Time is of the essence in this Agreement.

13. COMPENSATION: The consideration to be paid Contractor, as provided herein, shall be in compensation for all of Contractor's expenses incurred in the performance hereof, including travel, per diem, and taxes, unless otherwise expressly so provided.

14. GOVERNING LAW: This contract is governed by and shall be interpreted in accordance with the laws of the State of California.
15. **ANTITRUST CLAIMS:** The Contractor by signing this agreement hereby certifies that if these services or goods are obtained by means of a competitive bid, the Contractor shall comply with the requirements of the Government Codes Sections set out below.

a. The Government Code Chapter on Antitrust claims contains the following definitions:
   1) "Public purchase" means a purchase by means of competitive bids of goods, services, or materials by the State or any of its political subdivisions or public agencies on whose behalf the Attorney General may bring an action pursuant to subdivision (c) of Section 16750 of the Business and Professions Code.
   2) "Public purchasing body" means the State or the subdivision or agency making a public purchase. Government Code Section 4550.

b. In submitting a bid to a public purchasing body, the bidder offers and agrees that if the bid is accepted, it will assign to the purchasing body all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by the bidder for sale to the purchasing body pursuant to the bid. Such assignment shall be made and become effective at the time the purchasing body tenders final payment to the bidder. Government Code Section 4552.

c. Government Code Section 4553.

d. Upon demand in writing by the assignor, the assignee shall, within one year from such demand, reassign the cause of action assigned under this part if the assignor has been or may have been injured by the violation of law for which the cause of action arose and (a) the assignee has not been injured thereby, or (b) the assignee declines to file a court action for the cause of action. 18. **PRIORITY HIRING CONSIDERATIONS:** If this Contract includes services in excess of $200,000, the Contractor shall give priority consideration in filling vacancies in positions funded by the Contract to qualified recipients of aid under Welfare and Institutions Code Section 11200 in accordance with Pub. Contract Code §10353.

19. **SMALL BUSINESS PARTICIPATION AND DVBE PARTICIPATION REPORTING REQUIREMENTS:**

   a. If for this Contract Contractor made a commitment to achieve small business participation, then Contractor must within 60 days of receiving final payment under this Contract (or within such other time period as may be specified elsewhere in this Contract) report to the awarding department the actual percentage of small business participation that was achieved. (Govt. Code § 14841.)

   b. If for this Contract Contractor made a commitment to achieve disabled veteran business enterprise (DVBE) participation, then Contractor must within 60 days of receiving final payment under this Contract (or within such other time period as may be specified elsewhere in this Contract) certify in a report to the awarding department: (1) the total amount the prime Contractor received under the Contract; (2) the name and address of the DVBE(s) that participated in the performance of the Contract; (3) the amount each DVBE received from the prime Contractor; (4) that all payments under the Contract have been made to the DVBE; and (5) the actual percentage of DVBE participation that was achieved. (PCC 10344(e).)
EXHIBIT D

A. The Department shall designate a period of one hundred eighty (180) days each calendar year, unless otherwise extended or reduced by written agreement between the Department and the Contractor, during which the Housing Center(s) shall be open to migratory agricultural workers and their households for occupancy, which period will be referred to as the "on-season." The remaining period of time during each calendar year shall be referred to as the "off-season."

B. During the on-season:

The Contractor may be required to implement and use bookkeeping and accounting systems acceptable to the Department.

shall be liable for the replacement value of such property. If property with a unit price of $5,000 or more is acquired or disposed of, the Contractor shall notify the Department within thirty (30) days of that acquisition or disposal so that the Department may properly account for acquisition or disposal of said property.

6. Termination of Agreement
   
   A. This Agreement may be terminated prior to the ending date of this Agreement without cause by the Contractor only upon conclusion of the on-season period, and the Department is provided thirty (30) days prior written notice. This Agreement may be terminated by the Department at any time, upon thirty (30) days prior written notice to the Contractor.

   B. In the event that the Contractor terminates this Agreement, the Contractor shall provide the Department or the Department's designee with an option to assume responsibility for the continued operation of the Housing Center(s), under the same terms and conditions contained in this Agreement, until another mutually agreeable location for the housing units and related facilities can be found and the housing units and related facilities are relocated to that site. The Department shall have one year from the date of exercise of said option to complete this operation and/or relocation.

7. Reporting Requirements
   
   A. The Contractor shall provide the Department with written progress reports, Demographic Input Form, Monthly Occupancy Report, OMS Request for Disposal of Property, inventory of all OMS-owned equipment, Smog Inspection Report (as needed), and verification of annual opening and closing dates, at the times and in the format required by the Department.

   B. The Contractor shall notify the Department and provide a copy of any Ordinances or Notices to Comply received from any regulatory body, including utility providers serving the Housing Centers, which will affect the operation of the Housing Centers, within five (5) days of receipt. Failure to provide said ordinances or notices will constitute a breach of this Agreement, and Contractor may be liable for any penalties the Department may receive as a consequence of failure to adequately provide it timely notice.

   C. The Contractor shall provide the Department with an annual financial audit for each fiscal year, due no later than nine (9) months after the end of each fiscal year, in accordance with generally accepted government auditing standards (GAGAS) and the requirements of the federal OMB Circular A-133.

8. Inspections
   
   At all reasonable times during the term of this Agreement, and upon prior notice to the Contractor, representatives of the Department shall have access to the Contractor's premises for the purpose of ensuring compliance with this Agreement.
9. **Contractors and Subcontractors**

The Contractor shall not enter into any agreement with any subcontractor, for five thousand dollars ($5,000.00) or more, without the prior written approval from the Department. Such approval shall not be unreasonably withheld by the Department. A subcontractor is not eligible to receive funds if they are not licensed, not in good standing with the State of California, or is in any other way determined to be ineligible by the Department at its sole and reasonable discretion. Any agreement between the Contractor and subcontractors shall include all relevant terms and conditions of this Agreement and its attachments. In the event the Contractor purchases materials or services or subcontracts performance of this Agreement, the Contractor shall adopt the following procedures which shall be implemented in a manner consistent with State law:

A. The Contractor shall invite bids for subcontracts, services and/or materials from as many prospective bidders as practical, and receive no fewer than three (3). Any deviations from this process must be pre-approved by OMS prior to entering an agreement with a subcontractor.

B. The Contractor shall award the rehabilitation or construction contract and/or service or purchase agreement to the lowest responsible bidder or reject all bids; provided, however, that no awards shall be made without prior written approval of the State.

C. The Contractor shall award no subcontract, service contract and/or purchase agreement if the lowest responsible bid exceeds that amount allocated to the corresponding budget item in Exhibit B (unless modified in writing as permitted under this Agreement).

D. The Contractor shall maintain and make available to the State detailed records and accounts of all subcontracts, purchases of materials and/or services made under the above procedure.

10. **Waiver**

No waiver of any breach of this Agreement shall be held to be a waiver of any other or subsequent breach. All remedies afforded pursuant to this Agreement shall be taken and construed as cumulative; that is, in addition to every other remedy provided therein or by law. The failure of the Department to enforce at any time the provisions of this Agreement, or to require at any time performance by the Contractor of any of the provisions contained herein, shall in no way be construed to be a waiver of such provisions nor to affect the validity of this Agreement or the right of the Department to enforce such provisions.

11. **Force Majeure**

Neither the Department nor the Contractor shall be deemed to be in default in the performance of the terms of this Agreement if either party is prevented from performing the terms of this Agreement by causes beyond its control, including, without being limited to: acts of God or the public enemy; interference, rulings or decisions by municipal, federal, state, or other governmental
EXHIBIT D

agencies, boards or commissions; any laws and/or regulations of such municipal, state, federal, or other governmental bodies; or any catastrophe resulting from flood, fire, explosion, or other causes beyond the control of the defaulting party. If any of the stated contingencies occur, the party delayed by force majeure shall immediately give the other parties written notice of the cause of delay. The party delayed by force majeure shall use reasonable diligence to correct the cause of the delay, if correctable, and if the condition that caused the delay is corrected, the party delayed shall immediately give the other parties written notice thereof and shall resume operations under this Agreement.

12. **Licenses and Permits**

The Contractor shall procure or cause to be procured all permits and licenses necessary to accomplish the Work set forth in this Agreement, and give all notices necessary and incident to the lawful performance of the Work. The Contractor shall keep informed of, observe, comply with, and cause all of its agents and employees to observe and comply with all prevailing federal, state, and local laws, rules and regulations made pursuant to those federal, state, and local laws, which in any way affect the conduct and performance of the Work set forth in this Agreement.

13. **Litigation**

A. If any provision of this Agreement, or an underlying obligation, is held invalid by a court of competent jurisdiction, such invalidity, at the sole discretion of the Department, shall not affect any other provisions of this Agreement and the remainder of this Agreement shall remain in full force and effect. Therefore, the provisions of this Agreement are, and shall be, deemed severable.

B. The Contractor shall notify the Department immediately of any claim or action undertaken by or against it, which affects or may affect this Agreement or the Department and shall take such action with respect to the claim or action as is consistent with the terms of this Agreement and the interests of the Department.

C. The Department, promptly after receiving notice thereof, shall notify the Contractor in writing of the commencement of any claim, suit, or action against the Department or its officers or employees for which the Contractor must provide indemnification under this Agreement. To the extent permitted by law, the Department shall authorize the Contractor or its insurer to defend such claims, suits or actions and shall provide it or its insurer, at the Contractor’s expense, information and assistance both necessary and available for such defense. The failure of the Department to give such notice, information, authorization or assistance, shall not relieve the Contractor of its indemnification obligations.

14. **Disputes**

Except as otherwise provided in this Agreement, any dispute arising under or relating to the performance of this Agreement shall be reviewed and decided solely by the Department OMS Program Manager. The Manager’s decision shall be provided to the Contractor in writing. The decision of the Program Manager shall be final and conclusive unless within thirty (30) days from
EXHIBIT D

the date of receipt of such a copy, the Contractor transmits to the Department a written appeal. Pending the final decision by the Director of the Department or Designee, the Contractor shall proceed diligently with the performance of this Agreement and in accordance with the written decision of the Program Manager which is the subject of the Contractor’s appeal.

15. **Audit/Retention and Inspection of Records**

The Contractor agrees that the Department or its delegatee will have the right to review, obtain, and copy all records pertaining to performance of this Agreement. The Contractor agrees to provide the Department or its delegatee with all relevant information requested and shall permit the Department or its delegatee access to its premises, upon reasonable notice, during normal business hours for the purpose of interviewing employees and inspecting and copying such books, records, accounts and other material that may be relevant to a matter under investigation for the purpose of determining compliance with Public Contract Code (“PCC”) § 10115, et seq., Government Code (“GC”) § 8546.7 and 2 CCR §1896.60 et seq. The Contractor further agrees to maintain such records for a period of three (3) years after final payment under this Agreement.

The Contractor shall comply with the caveats and be aware of the penalties for violations of fraud and for obstruction of investigation as set forth in PCC § 10115.10.

16. **Insurance**

A. The Contractor shall carry, maintain, and enforce general liability and property insurance in the amounts not less than $1,000,000.00 per occurrence. Fire insurance must be in an amount to adequately protect the interests of the contractor and the State of California and its officers and employees. All liability coverage must name the State of California as Additional Insured. All property coverage must name the State of California as Loss Payee with a maximum $25,000.00 deductible per occurrence. For additional information on the Department’s Insurance Guidelines, please refer to our website at [http://www.hcd.ca.gov/financial-assistance/asset-management-and-compliance/Insurance_Guidelines.pdf](http://www.hcd.ca.gov/financial-assistance/asset-management-and-compliance/Insurance_Guidelines.pdf).

B. The Contractor shall provide the Department with a current copy of the Certificate of Coverage upon every premium renewal.

C. The Contractor shall pay premiums out of the General Operating Account and premiums will be treated as an operating expense.

D. The Contractor shall investigate and furnish the Owner with full reports on all accidents, claims, and potential claims for damage relating to the Project. The Contractor will cooperate with the Owner’s insurers in connection therewith.

17. **Prevailing Wage**

A. Where funds provided through this Agreement are used for construction work, or in support of construction work, Contractor shall ensure compliance with the requirements
EXHIBIT D

of the Labor Code commencing with Section 1720 (which pertains to the payment of prevailing wages and administered by the California Department of Industrial Relations).

B. For the purposes of this requirement "construction work" includes, but is not limited to rehabilitation, alteration, demolition, installation or repair done under contract and paid for, in whole or in part, through this Agreement. All construction work shall be done through the use of a written contract with a properly licensed building contractor incorporating these requirements (the "construction contract"). Where the construction contract will be between the Contractor and a licensed building contractor, Contractor shall serve as the "awarding body" as that term is defined in the Labor Code. Where Contractor will provide funds to a third party that will enter into the construction contract with a licensed building contractor, the third party shall serve as the "awarding body." The construction contract and any amendments thereto shall be subject to the prior written approval of the Department. Prior to any disbursement of funds, including but not limited to release of any final retention payment, the Department may require a certification from the awarding body that prevailing wages have been or will be paid.

C. Notwithstanding any other provisions of this Agreement, after seeking appropriate recourse as set forth in the Section above, any controversial claim arising out of or relating to this Agreement or breach thereof shall be settled by arbitration at the election of either party in accordance with California Public Contract Code Section 10240 et seq., and judgment or award rendered by the arbitration may be entered in any court having jurisdiction thereof.

Recommendation
No action is being requested at this time.

Fiscal Impact
All travel and conference expenditures are within budget, and funds have been previously approved as part of the FY2017 Operating Budgets submitted and approved in December 2016.
January 4 to January 11, 2017  
*Novogradac Investors Conference - Miami, FL, New Orleans, LA, and Orlando, Fl*

As a result of the 2016 election, the LIHTC market became very volatile. In December, FH experienced the reduction in pricing and the addition of onerous conditions on three pending transactions. I attended the Novogradac 2017 Investors Conference to learn more of what could be expected in 2017 as a result from proposed tax reform.

Since I was in FL and with no commitments, I went to New Orleans to spend a day and ½ with Tracewell to strategically plan for 2017.

I then returned to Florida to attend PHADA’s 2017 Commissioners Conference. I was a speaker in a plenary session with Ralph Smith, Managing Director of the Campaign for Grade Level Reading.

February 2 to February 3, 2017  
*CAHA Annual Conference - Sacramento, CA*  
I attended the California Associations of Housing Authorities (CAHA) 2017 Annual Conference.

March 13 to 14, 2017  
*CalHFA Strategic Planning Meeting - Sacramento, CA*  
As a Central Valley appointee to the Board of Directors, I attended Cal HFA’s strategic planning and regularly scheduled meeting.

March 20 to March 21, 2017  
*National Public Housing Museum - Chicago, IL*  
Usually I attend board meetings by phone. But since this was the annual meeting, I attended in person.

March 22 to 29, 2017  
*CLPHA Spring Meeting and NAHRO Washington Conference - Washington, DC*  
CLPHA and NAHRO’s Washington Conferences were back to back this year. To save money, I rented a condo for the week at a lower per night price than staying at the
respective conference hotels. In addition to chairing the Housing and Education Task Force (HETF) and attending the Board of Governors (BOG) meeting, numerous key meetings were held with key partners (CBPP, NLIHC, USICH) with commissioners.

April 23 to 24, 2017
CLPHA Strategic Planning Meeting - Denver, CO
As one of six CLPHA members, attended a strategic planning session to draft a proposal for all three national housing industry groups to consider on the future of public housing.

April 29 to May 3, 2017
Canadian Housing and Renewal Association Congress - Halifax, Nova Scotia, CN
As NAHRO’s representative, attended CHRA’s annual congress. I spoke at two sessions. First, I provided an update on the US National Legislative Environment at a special international meeting on public/social housing. And second, I presented on local innovation during the research component of CHRA.

May 7 to 8, 2017
Pacific Southwest Regional Conference - Long Beach, CA
I attended the annual PSWRC Conference, including the board meeting.

June 7 to 8, 2017
National Organization for African Americans in Housing Conference - Denver CO
As a board member, I attended the annual NOAAH conference, including its board meeting. I presented on innovation and partnerships during a conference session.

June 13 to 16, 2017
Grade Level Reading Funders Huddle/All-America Cities Conference - Denver, CO
I attended the four day conference that was broken into two 2-day events. During the initial Funders Huddle, I represented PHAs in conversations with national foundations, advocating for the investment in educational programs occurring at PHA properties. This included a standing-room only lunch with about a dozen PHAs and numerous foundations. During the second session, National Civic League’s All-America City Conference, I helped organize three sessions to highlight the work of PHAs, including
moderating a session on school readiness. I also hosted a dinner for all PHA attendees and a breakfast for CA GLR attendees.

QUALITY ASSURANCE DIVISION

During the month of June, Quality Assurance (QA) staff facilitated two Resident Advisory Board meetings; one in Sanger and one in Firebaugh, to review proposed policy changes for the 2018 Admissions and Continued Occupancy Policy.

The Housing Choice Voucher (HCV) waitlist was open and accepting applications until June 20th. There was an overwhelming public response during this time. The QA team assisted the HCV department by processing records of submitted applications via the on-line system and with calls, as the volume of calls increased considerably during the time the HCV waitlist was open.

In preparation of the upcoming HUD-PIH audit, QA staff prepared and submitted items requested for preliminary review. The following physical and/or file audits occurred:

- California Tax Credit Allocation Committee – Southeast Fresno RAD, June 15 and 16
- Fresno County HOME – Granada Commons, June 7 and 8; Mendota RAD, June 13 and 14
- PNC Investor Annual Site Visit – Yosemite Village and Pacific Gardens, June 1

HMD ACTIVITIES

Leasing efforts continue at Cueva de Oso at William Shockley Plaza, located in Selma. Management and QA staff continue to work together, processing prospective applicants quickly. Several families have moved into the first two buildings. The last 3 buildings will be released in July.

- Paseo 55 – Staff continues to interview prospective applicants for units at the new Reedley complex; although construction is nearing completion, 48 of the 55 units are already in the pre-leased phase.
- Sanger Memorial Village -. All families were relocated prior to the beginning of the construction phase. Families who are in the community and returning residents are eager to watch the transition of the previous complex and the new construction currently underway at the site.

- County AMP 2 and 3 - Staff are planning for the annual National Night Out events in August. The families will learn safety tips and positively interact with local law enforcement. The children and community will have an opportunity to see different types of emergency crews and equipment.

Parlier Migrant Center - Families at the Parlier Migrant Center will soon join “Feeding Those Who Feed Us.” They will be bringing activities for the children and backpacks filled with school supplies. A resident meeting was held to review the proposal of an amendment of the 50 mile radius requirement – a webinar was released for review. Feedback from the residents and other agencies that operate Migrant Centers on the proposed amendment is currently being accepted for consideration by the Office of Migrant Services (OMS).

PEOPLE
Overview

Fresno Housing works to respect community needs and knowledge – by listening, learning and researching – and respond to issues compassionately, intelligently, intentionally – by developing exceptional programs based on shared expectations.

Housing Choice Voucher (HCV) Leasing Update

During the month of June, the following leasing activity took place for the HCV city and county programs.

There were a total of 44 applicant families scheduled to attend their initial interviews to determine eligibility for the HCV program. Some families were determined eligible and scheduled to attend mandatory briefings.

Weekly initial briefings were conducted throughout the month and 100 (8 city/92 county) new families were issued city or county vouchers. Some of the families carried over from the previous months’ leasing activities and finalized their eligibility in June.

Throughout the month of June, there were 234 (91 city/143 county) new and existing participants in the office to submit their Requests for Tenancy Approval (RFTA) packets.

There were 188 (79 city/109 county) families that leased up and new HAP contracts were executed for both the city and county programs. As we move forward, the plan is to continue to lease on an on-going steady pace.

Housing Choice Voucher Program – Waiting List Update

During the opening of the waiting list (June 6, 2017 through June 20, 2017), 18,787 City preapplications and 17,559 County preapplications were received. Laptops were set up in the Board Room to the Central Office and remained available to the general public throughout the opening of the waiting list. Agency staff were available for assistance during this two week period to help applicants with submitting their online preapplication. Agency staff consisted not only of HCV staff, but of staff from other departments who volunteered their time to assist, not only at the Central Office but at the downtown library, as well.

Procurement staff is partnering with the Housing Management Department to create a trade services binder for Agency staff to utilize procured vendors for multiple maintenance and repair services to support Agency operations. Procurement staff is also preparing to conduct the Agency’s purchasing training class “Procurement 101” for newly hired staff in 2017. The training will take place at the end of July. Facilities staff is collaborating with the Human Resources Department to update emergency evacuation maps for office sites throughout Fresno County.

IT
During the month of July, thirteen Fresno Housing staff members participated in a two-day, on-site Yardi Training on Affordable Housing. The training sessions covered procedures and best practices for the following topics: payments, HUD repayments, posting rent and HAP, TRACS file processing/IMAX submission, move-out processing and reports.

The IT department secured 25 Chromebooks for an upcoming digital literacy program to be taught at Renaissance at Santa Clara. This will ensure the participants get quality electronic equipment to help in their education needs. The digital literacy program is the result of a partnership between Resident Services, CSU Fresno, and the Department of Behavioral Health (DBH). This program marks the Agency’s first digital literacy program focused on our homeless population. DBH staff will be teaching a curriculum custom tailored to the needs of our homeless population.
In addition, the IT department also completed the technology infrastructure setup for Legacy Commons. Having the setup fully complete means that the location can be used for a wide variety of events and resident services.

**Finance & Accounting**
Accounting staff has been working diligently to finalize the 2016 financial statements and the audit reports for the City and County Housing Authorities. The department has already finalized and submitted over 25 audit reports for the limited partnership properties. My fellow commissioners,

Thank you for serving on the Fresno Housing Authority City Board of Commissioners.

I am very excited about planning for the upcoming year and look forward to working with you all.

As you know we are planning our retreat and I wanted to extend the opportunity for any input as it relates to any aspect of the retreat (topics, activities, and timeframes anything at all). This is a great time for the agency as we plan for our upcoming year with a renewed CEO, new software, new Deputy Directors and several new board members. I am eager to brainstorm, plan, create, dismantle, agree, disagree, support and provide governance that will lead to our agreed upon outcomes.

Preston has positioned this agency into a place of leadership in our city. With his leadership we have been at the table addressing Chronic Homelessness, Third grade level reading, Veteran Homelessness, Slumlords even Migrant Farm Worker Housing. We have been clear about our Mission and about the success of our families and I do not want our message to get lost in the sauce....

As a social worker/family therapist intern, former resident and FHA employee my passion is PEOPLE specifically residents.

So as I have thought about our upcoming retreat and some of this and empowering our families I cannot wait to find out more about your motivation for volunteering on the board, what your specific interest in low income housing is and what area of the industry you are most interested in.

To be clear, this is not my agenda, it is a collective to which I simply represent. As the overseers of tax payer’s money I need not stress the urgency for us to be creative and intentional in our governance.

I’m so excited!!!!!

Week 1: the National Housing Week of Action

Welcome to the first week of NAHRO’s August Advocacy initiative! To kick off this year’s campaign, NAHRO is joining other national housing stakeholders to bring attention to housing affordability issues affecting many Americans today. This week marks the Our Homes, Our Voices Week of Action, a national campaign that calls for greater investment in affordable housing. Housing advocacy groups nationwide participate in this annual week of activism, which seeks to amplify housing concerns and educate members of Congress on the crucial needs facing public and affordable housing agencies and their residents. The ultimate goal of this week of action is to articulate how safe and accessible housing benefits communities and to inform Congress that it must fully invest in housing resources in order to protect it.

In collaboration with the Campaign for Housing and Community Development Funding, NAHRO members and other interested stakeholders can participate in a number of impactful events that will allow you to make your voices heard. You can use the hashtag #OurHomesOurVoices to join a national Twitterstorm on Wednesday, July 26, at 2 p.m. and share why you support investment in affordable housing. You can join hundreds of advocates in calling their members of Congress as part of a National Call-In Day on Thursday, July 27, at 2 p.m.

For more information on these events, visit the Our Homes, Our Voices website and look out for reminder emails from NAHRO in the coming days.

Please note that this is just the first week of our six-week August Advocacy campaign. For more information, please visit the NAHRO website or contact John Bohm or Tess Hembree.
